Description

This Santa Maria Rotisserie kit is custom created for up to 60" Single or Split Grate Santa Maria Grills, and made only with the best in quality stainless steel.

All rotisserie kits are pre-mounted for assembly to the Sunterra Outdoor Santa Maria Grill that you have chosen. Resulting from this addition, all Santa Maria grills undergo some modification to the lifting system uprights and as a result, will ship in 2 to 4 weeks.

The best of the best! This kit embodies the best there is to offer in rotisserie grilling. Featuring our strongest grill rotisserie motor capable of turning loads up to 85 pounds* and an ultra heavy duty 5/8" hexagon spit rod, this kit will be the perfect match to your larger load rotisserie needs. The entire kit is constructed of rustproof 304 for countless uses and an unsurpassed lifespan. This kit comes complete with continuous duty heavy duty rotisserie motor, 5/8" hexagon 304 stainless steel rotisserie spit rod, a 304 stainless steel universal mounting bracket set, a set (of either 1 or 2) of 304 stainless steel four prong offset rotisserie spit forks, a 304 stainless steel adjustable ride bushing, a fully adjustable 304 stainless steel counterbalance system, and a premium insulated handle.

Please note that the total length of the included spit rods offered is custom designed for any size Sunterra Outdoor Santa Maria grill concept.

Available for use up to a 60" single or split grate grill systems. (Larger spit rods 60" and above will require 2nd set of Spit Forks)
